

Housing Development Associate Position Announcement

Northern Communities Land Trust (NCLT) will soon be hiring a Housing Development Associate to assist in the affordable housing development work of the organization. NCLT is a successful and growing nonprofit organization with a mission of creating affordable homes and strengthening community through the wise stewardship of land and resources. Utilizing the community land trust method of affordable homeownership, NCLT has added 170 homes to its trust since 1999 and has plans in place and funding secured to add an additional 30 homes in the next year.

The Housing Development Associate will work under the supervision of the Housing Development Director and will join a talented and committed team that includes Common Ground Construction, NCLT's LLC that serves as general contractor for the organization, in renovation and construction of affordable homes. Qualified applicants will have a commitment to economic and social justice, demonstrated home construction and renovation experience, project and construction management experience, and great communication skills.

Compensation commensurate with experience with a generous benefits and incentive package.

More information about NCLT can be found at www.landtrustduluth.org.

Interested candidates should send resumes and cover letters via email only to: annie@landtrustduluth.org.

Inquiries may be submitted to same.

Resumes will be collected through June 24, 2009.

NCLT is an equal opportunity employer.
